MANDATORY COMMUNICATIONS METHOD TERMS

* Consumers Registered Dealer ("CRD") email marketing is permission based. If you received a mailing from us, our records indicate that (a) you have expressly shared this address for the purpose of receiving information in the future ("opt-in"), or (b) you have registered and/or purchased or otherwise have an existing relationship with us. We respect your time and attention by controlling the frequency of our mailings. Email is our only form of communication to our CRD members about promotional events, special buying opportunities and relevant account information, such as "Purchase Dollars Earned" statements. Should you not wish to continue to receive our emails at any time, you may ("opt-out") of our email program, but by doing so your CRD membership account will be put on hold and you will no longer be able to purchase from Consumers at reduced pricing or continue to receive any membership benefits. We use appropriate security measures to protect against the loss, misuse and alteration of data used by our system.
